

Financial administrator

Appointing the financial administrator

Your financial administrator will need to have a WAAMS portal account linked to your organisation. The organisation contact who is appointed by the CEO to be the financial administrator will log in to the portal and enter the verification code on the *Organisation* screen, as shown in the following screenshot.

If your organisation does not yet have any portal users, create a portal account by selecting 'Don't already have a login?' in the WAAMS client portal: waamsportal.dtwd.wa.gov.au.

The screenshot shows the WAAMS portal interface. At the top, there are navigation tabs: Organisation, Contracts, Incoming Training Contracts, and Employer Incentive. A user profile dropdown and a 'Log out' button are visible in the top right. Below the navigation, the breadcrumb 'Home / Organisation' is shown. The main content area is titled 'Noticeboard' and contains a table with columns: Subject, Created On, Status, Training Contract ID, and Full Name. The table lists several items, all with a 'Received' status. To the right of the table, there is a sidebar with 'Organisation' links: Bulk Contract Change, Organisation Details, Outstanding Training Plans, and Submitted Contract Changes. Below these links is a section titled 'Financial Administrator Access' which includes a text input field for 'Enter verification code' and a 'Submit' button. A black arrow points from the 'Financial Administrator Access' section to the verification code input field.

Subject	Created On	Status	Training Contract ID	Full Name
Completion of NED	27 Mar 2019	Received		
Termination	26 Mar 2019	Received		
	26 Mar 2019	Received		
	26 Mar 2019	Received		

For help with adding a new contact to your organisation, please refer to the instructional video *WAAMS – Invite others from your organisation to use the WAAMS portal* on the Apprenticeship Office website at dtwd.wa.gov.au/waams.

Appointing additional financial administrators within the organisation

Additional financial administrators can only be appointed by other financial administrator users with this access role.

To appoint another financial administrator, log in to the WAAMS client portal and navigate to the **Organisation page** from your home page. Select the **Manage Financial Administrators** on the right side of the screen. This will then take you to **Organisational Contacts**.

Select the **Edit** button beside the organisation contact who requires financial administrator access, as shown in the screenshot below. You will be taken to their user profile. This will only be visible to organisational contacts who have financial administrator access.

The screenshot shows the WAAMS client portal interface. At the top, there are navigation tabs: Organisation, Contracts, Incoming Training Contracts, and Employer Incentive. Below the tabs, there is a breadcrumb trail: Home / Organisation. The main content area is titled 'Noticeboard' and contains a table with columns: Subject, Created On, Status, Training Contract ID, and Full Name. The 'Status' column has a red background and contains the word 'Received'. To the right of the table, there is a sidebar with the title 'Organisation' and several menu items: Bulk Contract Change, Organisation Details, Outstanding Training Plans, Submitted Contract Changes, and Manage Financial Administrators. The 'Manage Financial Administrators' button is highlighted with a red box and an arrow pointing to it. Below the arrow, there is a note: 'Only visible to Financial Administrators'.

1 Select the pencil icon to edit the organisational contact.

The screenshot shows the 'Organisational Contacts' page. At the top, there is an 'Add' button. Below it, there is a table with columns: Contact, Job Title, Portal Account?, TCC User?, Org Admin?, EI User?, and Fin Admin?. The 'Contact' column has a pencil icon next to each row, indicating the edit button. A black arrow points to the pencil icon in the first row. The table contains three rows of data. The first row has a blank 'Job Title' and 'Portal Account?'. The second row has 'Advisor Apprentice Support' and 'Yes' for 'Portal Account?'. The third row has a blank 'Job Title' and 'Yes' for 'Portal Account?'. The 'TCC User?' column has 'Yes' for the second and third rows. The 'Org Admin?' column has 'Yes' for all three rows. The 'EI User?' column has 'Yes' for the second and third rows. The 'Fin Admin?' column is empty for all three rows.

- 2 Once you are in the contact's edit screen, select the box **Is Financial Administrator?** and then select the **Submit** button.

The screenshot shows a web form with a 'Name' field at the top. To the right of the form is a red link labeled 'Financial Admin view'. Below the name field is a section titled 'Is Financial Administrator?' with a checked checkbox labeled 'Yes'. A large black arrow points from the 'Submit' button to the 'Yes' checkbox. The 'Submit' button is a blue rectangle with white text. A mouse cursor is visible over the 'Submit' button.

Reassigning and removing financial administrators

Only financial administrators can re-assign and remove the financial administrator access of other WAAMS users. If your financial administrator is leaving the organisation, and their portal account will be deactivated, it is important that they first assign this access to another authorised person.

If your financial administrator has left the organisation without assigning a new financial administrator, please contact the Apprenticeship Office 13 19 54 and press option 1 to speak to the employer incentive help desk.

Responsibilities of the financial administrator

The financial administrator/s have access to:

- assign and remove financial administrator access for other organisation contacts;
- manage the organisation's bank details;
- edit the organisation's payroll tax status; and
- view employer incentives and claims.

Declaring your organisation's payroll tax status

Employers will be asked to disclose whether they are liable to pay payroll tax, to determine if they are eligible to receive an incentive payment.

Only financial administrators can declare or edit your organisation's payroll tax status. All employers who employ apprentices will need to complete this task before any employer incentive applications can be made.

3 Select Edit Payroll Tax Status.

What are the different access levels for employer WAAMS users?

There are five types of user access roles within WAAMS for employers. You can assign as many (or as few) of these access levels to an organisation contact, and modify as required. Each access role has limitations on what can be viewed and edited.

User role	What does this mean	How to get this access
WAAMS base user (no permissions)	<ul style="list-style-type: none"> Has read-only access to training contracts and organisation details 	<ul style="list-style-type: none"> Default access level following an invitation to WAAMS from the organisation administrator
EIS user	<ul style="list-style-type: none"> Has read-only access to the training contracts and organisation details Can submit and manage the employer incentive claims 	<ul style="list-style-type: none"> Organisation administration can assign EIS user
TCC user	<ul style="list-style-type: none"> Can create training contract changes (TCCs) on behalf of the parties to the contract 	<ul style="list-style-type: none"> Default from existing pre-EIS employer users Organisation administrator can assign TCC user
Financial administrator	<ul style="list-style-type: none"> Can edit the organisation's bank details and payroll tax status Can manage other financial administrator users Has read only access to employer incentives Has read only access to training contracts and organisation details 	<ul style="list-style-type: none"> Financial administrator verification code Other financial administrators
Organisation administrator	<ul style="list-style-type: none"> TCC user permissions Can create edit organisation details including managing the organisation's contacts and WAAMS users 	<ul style="list-style-type: none"> Auto-generated invitation to WAAMS at training contract registration Apprenticeship Office staff, on request from the organisation
